

Delivering market insights

Pisacane is a reliable and dynamic business research provider with over 30 years of experience in delivering up-to-date insights. We help our renowned clients to understand markets and trends in a broad range of industries on a global scale.

To further enrich our dynamic, motivated and diverse team, we are looking for a:

Working Student (f/m/d)

Your responsibilities

- Collect and evaluate relevant market data from various business sectors to fulfill our clients' strategic information needs
- Solve challenging desk research tasks with varying degrees of complexity
- Work on ad-hoc projects – providing fact packs on key players, market structures, latest developments and trends
- Compile and synthesize findings in customized formats, e.g. company profiles, fact sheets, press reviews, mappings & overviews

Your skills

- Bachelor, Master or PhD student (f/m/d) of any discipline with curiosity for business- and economy-related topics
- Full working proficiency in English language, German is an asset
- Quick comprehension of demanding research requests and genuine interest for trending topics
- Go-getter attitude: you are proactive, willing to dig deep and eager to deliver high-quality insights

We offer

- Exciting projects for leading companies worldwide
- The opportunity to gain knowledge on strategic topics in various industries on a global level
- A platform to develop research and communication skills
- Our greatest asset is the amazing people we work with everyday
- The opportunity to further develop your skills through regular trainings

Additional benefits

Great view in modern offices in the heart of Cologne • Free coffee, water, tea and fresh fruit • Regular team events
